

PRESIDENTIAL DECREE OF THE RUSSIAN FEDERATION

from September 30, 2013 of No. 752

About emission reduction of greenhouse gases

For the purpose of implementation of the Climatic doctrine of the Russian Federation approved by the order of the President of the Russian Federation from December 17, 2009 of No. 861-rp, I decide:

1. To the government of the Russian Federation:

a) to provide by 2020 reducing amount of emissions of greenhouse gases to level no more than 75 percent of amount of the specified emissions in 1990;

б) to approve in 6-month's term the actions plan on providing the established amount of emissions of greenhouse gases, having provided in it development of indicators of reducing amounts of emissions of greenhouse gases on sectors of economy.

2. This Decree becomes effective from the date of its official publication.

President of the Russian Federation

V. Putin
